RE: **Maryland Construction & Materials Conference**
"BUILDING MARYLAND TOGETHER"

As we have for the past several years, our industry associations — **Maryland Ready Mix Concrete Association, Maryland Transportation Builders & Materials Association and The Maryland Asphalt Association** have scheduled a Joint Spring Conference. Our conference is being held at the Hyatt Regency Resort Hotel in Cambridge, Maryland, June 27-29, 2010. Our theme for our conference is **"BUILDING MARYLAND TOGETHER"**

As with most in our industry, we work hard and we play hard. As you will see from the attached agenda, **many fine programs** with a variety of **Educational, Technical, Political, and the all important Economic Forecasting Seminars** are offered as well as **Networking** are available. As for the **fun stuff**, we are offering our usual **Golf, Sporting Clays, Fishing** and a little **Tennis**. For those who may be interested, there is an off track betting parlor in Cambridge. A beach on the Choptank River, as well as several acres of nature trails, is available to entertain attendees and their families.

Complete the enclosed registration form and return it to your respective association as listed below before May 25th to avoid a late fee. Hotel reservation information is on the registration form. Room blocks are listed under *Maryland Construction & Materials Conference*. Please note the hotel room cut-off date is May 25th. Early reservations are recommended. After that date rooms will be an additional \$25.00 on an "if available" basis. Early reservations also give the committee a better chance to increase our block if needed. Cancellation of hotel reservations is allowed up to 5 days prior to reservation date.
